## New month. New venue. New name.

As the premier event on the directors' calendars each year, NACD's annual conference brings together the best and the brightest in corporate governance for three days of dialogue, networking, and cutting-edge insight. This dynamic event is carefully crafted to deepen our collective understanding of the challenges and opportunities facing boardrooms today and in our future.

With a **new venue, in a new month, and with a new name**, our 2015 Global Board Leaders' Summit will convene more than 1,200 of the world's leading directors and industry experts with a mission to raise the bar for boardroom leadership across the globe. Join us in our nation's capital this fall to envision new possibilities and inspire progress.

*“The future is here. It's time to do our own imagining and lead our companies into a paradigm of continuous reinvention.”*

– Reatha Clark King, NACD Board Chair
