

NATIONAL ASSOCIATION OF CORPORATE DIRECTORS

Compensation Design to Maintain a Competitive Advantage

December 15, 2016
The Westin Riverwalk, San Antonio, TX

AGENDA

7:00am – Registration, Networking and Breakfast
7:45am – Welcome and Program Presentation Begins
9:00am – Adjourn
9:15am – Final Networking

TEXAS TRICITIES

Key Takeaways

1. Develop a long-term perspective for your company that can weather short-term peaks and valleys.
2. The current climate of uncertainty offers a good opportunity to step back and holistically evaluate the state of your compensation programs, independent of outside influences.
3. Improve executive engagement and alignment by integrating your compensation and leadership programs.
4. Understand the company's public position and messaging on pay inequality issues.
5. Recognize the benefits of a proactive shareholder engagement strategy and the role of effective communication in advancing long-term value creation.
